

Being in translation business for almost 15 years, **Linearis Translations** has proven to have a capacity to deliver reliable and reasonable services and to meet more than just core expectations and requirements of the industry. Having an international setup with a **Head Office in Riga, Latvia**, and subsidiaries in **Beijing, Ningbo, Tallinn** and **Vilnius**, we are among the market leaders in the Baltic region and see our role of being a global partner locally and a regional expert globally.

we are looking for our

MANAGING DIRECTOR

whose main goal and task will be management of the team throughout our long term vision of the Company – being a contemporary business model that functions with the highest possible efficiency by implementing and utilizing innovations and maintaining a proper management structure.

Responsibilities:

- Management of business activities according to the market situation and plans
- Management and control of the functional fields (marketing and sales, production, HR, finance)
- Change management while updating the business model, proposing and implementing innovations
- Representation of the Company publicly and legally

Requirements:

- A university degree, preferably in business administration
- 3+ years management experience, including a team leader experience
- Excellent command of English
- Understanding SaaS business model
- Sound knowledge of financial management
- Result-oriented, proactive and organized personality, with excellent communication and problem solving skills
- Ability to inspire and adjust quickly

We offer:

- Competitive salary
- Performance based bonuses and wealth package
- International business experience
- Freedom to make decisions
- Experience being a part of a professional and dedicated multinational team
- Work with a well-developed and positioned product
